Upcoming Holiday

We will be closed on Monday, January 18, 2010 for Martin Luther King Day.

The New Year is a time for hats and horns...and resolutions.

Prestige Credit Union offers low-fee options for all your financial needs. One study pegs the member benefit for using a credit union versus a bank at about \$240.00 a year per household.*

Keep more of your money this new year by switching more of your accounts to the credit union. You'll pay lower fees and lower interest rates to borrow, and earn more on savings.

To help make it easy for you, we have a new switch kit to change your current checking account to our Ultra Free Checking account. Plus, we will even give you \$75.00 when you have your direct deposit switched to your account. See a Member Services Representative for details.

Now, that calls for hats and horns!

A Credit Union Credit Card: Your Best Bet

You've likely heard about some of the credit card changes in the new CARD act. Prestige Credit Union has conformed to the new rules already. If you already have a credit union credit card--good for you. If not, now is the time for change.

You'll not only pay lower interest rates than you will with a bank card, but you'll get low fees, a reasonable grace period, and great member service that are just routine at the credit union. It's worth the few minutes it'll take to compare the card you're using with what you'll get using a Prestige Credit Union credit card.
