AutoSMART @ www.prestigecu.org

AutoSMART is an easy to use internet tool, but unlike other car buying websites, AutoSMART will connect you with the dealers that Prestige has partnered with to get you a great deal on your next vehicle. These dealers actually compete to get the best price on your dream car. By connecting you with the CUDL AutoSMART dealers, we take the hassel out of buying your next new or pre-owned vehicle.

There are a few things you should keep in mind before you contact the dealer:

- Use AutoSMART to find the invoice price the dealer paid for the vehicle you are interested in. It gives you a place to start your price negotiation.
- Use our online Value Guides so you have a good idea what your trade in might be worth.
- Check with our loan officers to get pre-approved. We'll help you decide what kind of payment you are comfortable with and how that translates to the amount of vehicle you can afford.

Once you have taken advantage of the wide variety of tools and resources provided by Prestige, you'll be ready to make an appointment to meet with your local CUDL AutoSMART dealer contact person. This will ensure that you save both time and money when purchasing your next vehicle.

Now that you have your appointment, keep these things in mind:

- Make sure you ask for the CUDL AutoSMART Dealer Representative that made you the offer.
- Make sure you test drive the vehicle you are actually going to buy.
- If the dealer is offering you optional products, make sure they have explained the value and cost.
- If you are unsure about anything, ask for an explanation before it becomes an issue.
- Be sure to remind the dealer that you are pre-approved with Prestige.
- Make sure you read all the paperwork, before signing anything.

Beware of Travel Scams: Turn to Your Credit Union for Help

Vacations are supposed to be carefree times to unwind and reconnect with friends and loved ones. But for consumers who unknowingly book their trips through unscrupulous travel marketers, vacations can be expensive disappointments.

According to the Federal Trade Commission (FTC), fraudulent companies promote their travel packages through the mail, by phone, and by unsolicited e-mails. The bottom line: If a vacation package sounds too good to be true, it probably is.

Stop by Prestige Community Credit Union for more information on vacation loans. Your credit union offers low rates and easy repayment options that will help to make your vacation a reality.
